Chapter 1

Namespace Index

1.1 Namespace List

Here is a list of all namespaces with brief descriptions:

wr22	9
wr22::regex_executor	9
wr22::regex_executor::algorithms	10
wr22::regex_executor::algorithms::backtracking	10
wr22::regex_executor::algorithms::backtracking::detail	12
wr22::regex_executor::algorithms::backtracking::detail::step	12
wr22::regex_executor::algorithms::backtracking::failure_reasons	12
wr22::regex_executor::algorithms::backtracking::instruction	13
wr22::regex_executor::algorithms::backtracking::step	13
wr22::regex_executor::utils	16

Chapter 2

Hierarchical Index

2.1 Class Hierarchy

This inheritance list is sorted roughly, but not completely, alphabetically:

wr22::regex_executor::algorithms::backtracking::instruction::AddStep	17
step::Adt	
wr22::regex_executor::algorithms::backtracking::Step	74
wr22::regex_executor::algorithms::backtracking::AlternativesDecision	17
wr22::regex_executor::algorithms::backtracking::step::Backtrack	19
wr22::regex_executor::algorithms::backtracking::step::BeginGroup	20
wr22::regex_executor::algorithms::backtracking::DecisionApplicator< T >	21
wr22::regex_executor::algorithms::backtracking::DecisionApplicator< AlternativesDecision >	21
wr22::regex_executor::algorithms::backtracking::DecisionApplicator< QuantifierDecision< Quantifier > >	22
wr22::regex_executor::algorithms::backtracking::DecisionRef	23
wr22::regex_executor::algorithms::backtracking::DecisionSnapshot	24
wr22::regex_executor::algorithms::backtracking::step::End	25
wr22::regex_executor::algorithms::backtracking::step::EndGroup	26
wr22::regex_executor::algorithms::backtracking::failure_reasons::EndOfInput	27
wr22::regex_executor::algorithms::backtracking::ErrorHook	28
wr22::regex_executor::algorithms::backtracking::failure_reasons::ExcludedChar	29
wr22::regex_executor::algorithms::backtracking::instruction::Execute	30
wr22::regex_executor::algorithms::backtracking::Executor	30
wr22::regex_executor::Executor	31
wr22::regex_executor::algorithms::backtracking::detail::step::FailureBase	37
wr22::regex_executor::algorithms::backtracking::step::End::Failure	33
wr22::regex_executor::algorithms::backtracking::step::FinishAlternatives::Failure	33
